**VII.A.2. Update on Stakeholder Comments Regarding Proposed Recommendations for Financial Stability of Certified Nursing Assistant Program; Review of FY 2014 Data Related to CNA Denials & Issuance of Fingerprint Clearance Cards-Harris/Ridenour/Bontrager**

Greg Harris updated the Board on the stakeholder input for House Bill 2196. The bill will create a Nursing Assistant Registry and establish a fee structure to charge the Nursing Assistants for certification or licensure. Board members commented on what they felt would be lost and the public impact if the Board did not continue to have oversight of CNA’s. Harris stated the current system is not working and is not sustainable so we must all take an active role in identifying a solution.

Ridenour reported that in FY2014 84-CNA received orders of denial. The data was analyzed and compared same individuals who also applied at the Fingerprint Board for a fingerprint clearance card.

Of the 40 who had applied for Fingerprint Clearance Cards 78% had received a Fingerprint Clearance Card even though denied by the Board of Nursing. Also noted was that CNA's represent 1/3 of the population the Board regulates, but self-reports and complaints make up 50% of the enforcement work load. Comments and input from Long Term Care (LTC) representatives indicates lack of support for the 2 tier system. Skilled nursing facilities employ approximately 42% of the CNA's and the remaining 58% are employed outside of LTC.

**VII.A.7. Update on the January 31, 2015 NCSBN Meeting: Agenda; Financial Impact Team Report and Proposed Revisions to the Nurse Licensure Compact & the APRN Compact- Ridenour/Harris**

Greg Harris noted that he will be attending a meeting on January 31, 2015, at the request of Ridenour, to review revisions to the Nurse Licensure Compact and to the Advanced Practice compact. Ridenour expressed appreciation for the assistance Harris is giving to the Board in addressing both the new compact language as well as the House Bill 2196 being proposed.

**VII.A.3. Status Update on FY 2016 Budget – Orchard/Bontrager (Oral – Information)**

Ridenour responded to questions on FY 2016 budget. OSPB has recommended the Board receive additional appropriations from the Board's fund balance. Ridenour also noted that in discussions with JLBC and OSPB, both have acknowledged an understanding of the fiscal impact created when RN/LPN fees are utilized for the CNA program expenditures, since the Federal mandate will not allow agencies to charge fees to the CNA's.

**VII.A.4. Update on Potential 2015 Legislative Session & Bills Impacting Nursing Regulation Harris**

Harris stated the current system is not working and is not sustainable so we must all take an active role in identifying a solution.

The meeting recessed at 2:47 p.m. and reconvened at 3:02 p.m.
