TO: Applicants for Initial/Renewal Approval of Nursing Assistant Training Programs

FROM: Pamela K. Randolph, RN, MS
Associate Director of Education and Evidence Based Regulation

RE: Application Process

Thank you for your interest in establishing/renewing a nursing assistant training program. In this packet you will find an application and documents that pertain to state and federal requirements for nursing assistant training programs. Consolidated programs need to fill out a “Consolidated Site Renewal Application Supplement” sheet for each site. Also included are reference documents such as Frequently Asked Questions, a sample of CNA Curriculum format, sample CNA Skills and Supplies Lists, and Article 8 (CNA Rules) of the Nurse Practice Act.

There are many references to rules in these instructions. If there is a reference to a rule it will be shown as “R4-19- .” The R means it is a rule, “4” refers to Title 4, Professions and Occupations, “19” means it is in Chapter 19, the Board of Nursing. The last 3 numbers are the rule number. The first digit of the last number refers to the article. Therefore, R4-19-801 would refer to the first rule in Article 8, Certified Nursing Assistants of the Rules of the Arizona State Board of Nursing. The Nurse Practice Act can be downloaded from our website. It is the expectation of the Arizona State Board of Nursing that you are aware of the information contained in these documents, as they will assist you in meeting the requirements for a Nursing Assistant Training Programs.

Within 30 days of arrival in our office, your application will be reviewed for administrative completeness and checked for deficiencies. If no significant deficiencies are noted, a more substantive review will be conducted over the next 90 days where you will be contacted to set up a time for a site visit or requested to provide more information. Following the site visit, the program will be reviewed by the Executive Director for a decision on a two-year approval. For more information on the time frame rules see A.A.C. R4-19-102. If you need any assistance during the application process, please contact Cindy George, RN, BSN at 602-771-7857 or via email at cgeorge@azbn.gov.

Nursing Assistant Training Programs

Frequently Asked Questions

1. How can an initial or renewal application for a nursing assistant training program be obtained?

Initial/Renewal applications are available on our website, <https://www.azbn.gov/education/programs/na-programs> the submitted application should contain all documents as identified in the application instructions for initial applications and renewal applications.

2. How soon must an initial application be received before offering classes?

Initial application must be received via U.S. mail or hand delivery at the Board office at least ninety (90) days before the expected starting date of the program.

3. How soon must an application for renewal of a nursing assistant training program be submitted?

Renewal applications must be received via U.S. mail or hand delivery at the Board office before the current approval expiration date. The Board may send notification to the training program of expiration ninety (90) days prior to the actual expiration date of the current approval, but it is the responsibility of the program to renew in a timely manner.

4. I have sent the renewal for our program to the Board but have not had a site visit yet. Can I start another class?

Yes, you may continue to offer CNA classes until the Board takes action on your renewal application. Site visits are scheduled based on availability of the consultant and the geographic location of the program.

5. How should applications be secured for students applying for nursing assistant competency examination and certification?

The applicant needs to complete 2 applications—the first application is for testing and available from the website at D & S Technologies (headmaster@headmaster.com). Once the information is supplied to headmaster, the application to the Board will populate with the same information. This should be printed and given to the student. Once they pass the competency evaluation, they should apply to the Board. Applications may take up to 5 weeks to process due to fingerprinting requirements. Applicants may submit their application for expedited processing before testing by paying a \$50.00 fee.

6. When do any changes to a nursing assistant training program need to be communicated to the Board?

A nursing assistant training program must submit written documentation within 30 days of instituting a change. Under R4-19-801(A)(11) (see below) you must report certain You do not need Board approval to institute the change, however if the change is inconsistent with current regulations, Board staff will inform you and you will be expected to conform to Board standards within a reasonable period of time.

R4-10-801(A)(11)

A training program shall submit written documentation and information to the Board regarding the following program changes within 30 days of instituting the change:

- a. For a change or addition of an instructor or coordinator, the name, RN license number, and documentation that the coordinator or instructor meets the applicable requirements of R4-19-802(B) and (C) for CNA programs
- b. For a change in classroom location, the previous and new location, and a description of the new classroom;
- c. For a change in a clinical facility, the name and address of the new facility and a copy of the signed clinical contract;
- d. For a change in the name or ownership of the training program, the former name or owners and the new name or owners; and
- e. For a decrease in hours of the program, a written revised curriculum document that clearly highlights new content, strikes out deleted content and include revised hours of instruction, as applicable.

7. What are the qualifications to become an instructor in a Board approved nursing assistant training program?

Under R4-19-802(C) a program instructor duties include:

- a. Holding a current, registered nurse license that is active and in good standing under A.R.S. Title 32, Chapter 15 and provide documentation of a minimum of one year full time or 1500 hours employment providing direct care as a registered nurse in any setting; and
- b. At a minimum, one of the following:
 - i. Successful completion of a three semester credit course on adult teaching and learning concepts offered by an accredited post-secondary educational institution,
 - ii. Completion of a 40 hour continuing education program in adult teaching and learning concepts that was awarded continuing education credit by an accredited organization,
 - iii. One year of full-time or 1500 hours experience teaching adults as a faculty member or clinical educator, or
 - iv. One year of full time or 1500 hours experience supervising nursing assistants, either in addition to or concurrent with the one year of experience required in subsection (C)(1)(a).

8. Can a person be a coordinator of a Board approved nursing assistant training program with less than one year's experience in long-term care?

No. The qualifications to be a coordinator of a NA program are clearly stated in the Code of Federal Regulations: 42 CFR s 483.152 (a) (5i); Arizona Revised Statutes (A.R.S.) § 32-1606 (B) 2 (NA Programs) and the Arizona Administrative Code (A.A.C.) R4-19-802 (B). The registered nurse who is the NA Program Coordinator must have a current unencumbered Arizona professional nursing license and a minimum of two years of nursing experience, at least one year of which was in the provision of long-term care facility services.

9. Can a licensed practical nurse be an instructor in a Board approved nursing assistant program?

A license practical nurse may not provide classroom instruction or clinical supervision. Please refer to R4-19-802(C)

10. What is the process for opening an additional site to offer nursing assistant training classes? R4-19-802(E)

A nursing assistant program may request, in writing, to consolidate more than one site of a program under one program approval for convenience of administration. The site of a program is where didactic instruction occurs. The Board may approve the request for a consolidated program if all the following conditions are met:

- a. The program is not based in a long-term care facility;*
- b. The program does not offer an innovative program as defined in R4-19-214 at any consolidated site;*
- c. A single RN administrator has authority and responsibility for all sites including hiring, retention and evaluation of all program personnel;*
- d. Curriculum and policies are identical for all sites;*
- e. Instructional delivery methods are substantially similar at all sites;*
- f. Didactic, lab practice and clinical hours are identical for all sites;*
- g. The program presents sufficient evidence that all sites have comparable resources, including classroom, skill lab, clinical facilities and staff. Evidence may include pictures, videos, documentation of equipment purchase and instructor resumes;*
- h. The program provides an application to the Board a minimum of 30 days before consolidation of the program or use of the new site;*
- i. The site is fully staffed before accepting students;*
- j. The program evaluates each site separately in its evaluation plans*
- k. The program arranges for the test vendor to provide a separate program number for each site;*

Other conditions for obtaining maintaining the consolidated sites are also found in R4-19-802(E).

11. Must our program use the Board approved curriculum?

The curriculum was developed to assist programs. Programs are not required to adopt the Board approved curriculum. Programs may choose to adopt it in whole or part. The curriculum meets all Board and OBRA requirements when the schedule and class activities portions are completed. Please visit our website for a writable copy of the Certified Nursing Assistant Curriculum.

Arizona State Board of Nursing

Certified Nursing Assistants

Frequently Asked Questions

1. How many Certified Nursing Assistants (CNAs) are active in the State of Arizona?

Approximately 27,934

2. How old do I have to be to be certified?

The Arizona State Board of Nursing (Board) does not have a minimum age for CNAs. However the Arizona Department of Health Services requires that workers be at least 16 years old if they provide direct care in long-term care facilities.

Nursing assistants who are on the register in another state may transfer to Arizona. They must be listed as active with no complaints.

3. How do I become a Certified Nursing Assistant in the State of Arizona?

Arizona regulations state that a person must: a) successfully complete a Board approved training program; b) show proof of passing the written and manual skills tests; and c) complete a criminal background check. For an application and instructions please visit the AZBN website at www.azbn.gov under the Licensure and Certification tab and then under Applications. Click on CNA Application by Endorsement or Examination.

4. Can I challenge the state Nursing Assistant tests?

The following waivers apply for applicants that have not completed a Board approved nursing assistant training program:

- a. *Nursing students who, within the past 2 years, have successfully completed a nursing course as part of an approved RN/LPN program including:
 - didactic content relating to Long Term Care clients
 - 40 hours of patient care in a LTC or comparable facility
 - documentation of meeting requirements from the course instructor or nursing program director/designee*
- b. *Graduates of foreign nursing programs, as evidenced by a copy of their diploma or foreign license.*
- c. *Applicants who have completed at least 100 hours of military health care training, as evidenced by military records, and have worked in health care within the past 2 years.*

5. Can I become a Certified Nursing Assistant if I have a felony conviction?

The Board must receive the following information from applicants with felony convictions: proof that 5 or more years have gone by since the date of absolute discharge of the felony.

Applicants are not eligible to apply if they cannot provide this information. The Board considers applicants with felony convictions over 5 years from the date of absolute discharge on a case-by-case basis.

6. Why did I get a Deficiency Notice?

The Board is required to notify you if your application cannot be processed. The Board does this by sending you a Deficiency Notice. The notice is usually sent because:

- a) testing scores have not been received or*
- b) results from fingerprinting have not been received.*

7. How often do I need to renew my nursing assistant certification?

Effective September 1, 2013, renewal will be for TWO years.

8. Why didn't I get a renewal notice?

The most frequent reason that you did not get a notice is because it was sent to the wrong address. Keep your address current at the Board. That way you will always get a renewal notice.

9. Why was my renewal application mailed back to me?

Renewal applications are usually returned because proof of employment was not provided. Proof of employment can be:

- a) a copy of a pay stub if the EMPLOYER'S name and the CNA's name are on the pay stub;*
- b) a copy of W-2; or*
- c) a completed Proof of Employment form.*

The federal government requires that a CNA provide proof of employment every 2 years.

10. How long does it take to renew my certification?

Usually within 10 working days after the Board receives a complete application. If you paid for a document, it will be mailed to you within that same time.

11. How many Continuing Education hours do I need?

The Board does not require that you have any continuing education hours to renew your certification. The federal government requires that CNAs working in long-term care facilities, home health or hospice agencies have 12 hours of continuing education per year. Your employer may have additional educational requirements.

12. Can working in a health care job where I'm not called a CNA affect me?

If you are a CNA, even if your job description does not call you a CNA, you can still be disciplined by the Board for unprofessional conduct. The definition of unprofessional conduct is very broad. It includes criminal convictions, conduct or practice that is or may be harmful to the public and acts that deceive the public.

13. What are the employment/working requirements to renew a CNA certificate?

You must verify on your application that you have worked as a nursing assistant or performed nursing assistant duties in your job for a minimum of 160 hours in the past 2 years. (R4-19-809(A)(2))
