VI.Q.7. Cathy E. Sanabria RN094273 Re-Issuance (Anderson)

Sanabria was present and addressed the Board.

Anderson provided an update to the Board, that Applicant completed a drug test but the results were not yet available. Hill-Mekoba moved, Andersen seconded, and it was unanimously carried, based upon the findings of fact and statute/rule violations identified in the investigative report, evidence submitted by Applicant, and information presented at this Board meeting, upon meeting all licensure requirements and signing a Consent Agreement for a minimum 24 month stayed revocation probation, grant licensure, immediately revoke the license, and stay the revocation. The license will be initially limited for participation in an RN Board-approved refresher or equivalent course only. Upon successful completion of this course, the limitation shall be lifted, and the probation continued under applicable terms contained in the attached stipulation worksheet. If the refresher or equivalent course is not completed, or other violations of probation occur the stay shall be lifted and the license revoked. If not signed within 30 days, deny reissuance of licensure, as Applicant failed to submit substantial evidence that the basis for the previous revocation has been removed and that the reissuance of Applicant's license will not be a threat to public health or safety without the proposed additional monitoring and remediation.
