

# Arizona State Board of Nursing Approved Pre-Licensure Nursing

The following is a list of all practical nursing programs and registered nursing programs currently approved by the Arizona State Board of Nursing. This list is updated on the first business day of each month.

For additional information including NCLEX® quarterly reports please visit <https://azbn.gov/nursing-programs/arizona-nclex-pass-rates>. For program admission requirements please visit the program websites listed with each program.

Programs with Current Violations list can be found here: <https://azbn.gov/education/nursing-programs-lists/programs-under-current-discipline> and applies to programs that show a status of: Active Consent for Probation, Decree of Censure or Prior Board Action.

Please contact the Board directly for all non-disciplinary Board actions including Notice of Deficiencies, Letters of Concern, and Prior Board Actions by sending an e-mail to [lledbetter@azbn.gov](mailto:lledbetter@azbn.gov). Please include the name of the program and a request for documents related to all Board actions. Please allow 2-3 days for electronic delivery of your documents.

Per ARSS 32-3214(C) "If a health profession regulatory board maintains a website, the board must display on its website a statement that a person may obtain additional public records related to any licensee or certificate holder, including dismissed complaints and non-disciplinary actions and orders, by contacting the board directly."
