

BEFORE THE ARIZONA STATE BOARD OF NURSING

IN THE MATTER OF APPLICATION FOR
APRN NURSING PROGRAM FOR:

BRADLEY UNIVERSITY,

APPLICANT

DECREE OF CENSURE WITH
CIVIL PENALTY
CONSENT AGREEMENT
AND ORDER NO.
181101APRNBRADLEY

The Arizona State Board of Nursing (“Board”) received allegations that **Bradley University** (“Applicant”) violated the Nurse Practice Act. In the interest of a prompt and speedy settlement of the above-captioned matter, consistent with the public interest, statutory requirements and the responsibilities of the Board, and pursuant to A.R.S. § 41-1092.07 (F)(5), the undersigned parties enter into this Consent Agreement as a final disposition of this matter.

Based on the evidence before it, the Board makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

On March 14, 2018 a representative from Bradley University contacted Board staff seeking guidance and next steps for the program’s distance APRN program in which AZ RNs were currently enrolled. On March 15, 2018 Board staff confirmed that the program was not approved by the AZBN as an application was not submitted for consideration, nor did the program qualify for any exemption because the program’s home state’s Board of Nursing does not approve APRN program and the program operated continuously in Arizona for more than six months. Continuously since 2016, Applicant (home state IL) has been offering an APRN distance program in Arizona for the Family Practice specialty track without Arizona Board approval, or under any exemption. The program has admitted nine students to date. Applicant

states this was based on misinterpretation of the AZ Nurse Practice Act. However, the program was never listed on the Board's website as an approved program. The program operated for eight months (March 15, - November 15, 2018 after the Applicant's representative had been informed that the program was operating in violation of law and without Board approval.
